

Forum 2012 Time Schedule

Thursday, October 25		
	Room A	Room B
9:00	Opening Address	
10:00	Forum I Role of environmental factors in neurodegeneration and possible preventive therapy	Presentation for Young Investigator Awards
11:00	Plenary Lecture 1 Regulation of oxidative stress and healthy aging	
12:00		
13:00	Poster Session (Room P) P-001 ~ P-090, P-181 Odd: 13:00 ~ 13:35 Even: 13:35 ~ 14:10	
14:00	Educational Lecture How you should progress your research to realize your dreams?	
15:00	Invited Lecture <small>Significance of changes in the metabolomics of sulfur-containing substances during liver regeneration: Acceleration of liver recovery after partial hepatectomy by betaine</small>	
16:00	Forum II Diverse physiological functions of foods for human health and longevity	Oral Session Session 1 (O1-1 ~ O1-5) Session 2 (O2-1 ~ O2-6) Session 3 (O3-1 ~ O3-6)
17:00	Oral Session Session 4 (O4-1 ~ O4-4)	
18:00		
19:00	Banquet 18:30 ~ 3rd Floor Main Banquet Hall "NAGO-West"	

Friday, October 26		
	Room A	Room B
9:00	Forum III DNA damage and carcinogenesis by chemicals and radiation	Oral Session Session 5 (O5-1 ~ O5-5) Session 6 (O6-1 ~ O6-5)
10:00		
11:00	Plenary Lecture 2 Perspectives of disease-modifying (molecular targeted) therapy for neurodegenerative disease	
12:00		
13:00	Poster Session (Room P) P-091 ~ P-180 Odd: 12:50 ~ 13:25 Even: 13:25 ~ 14:00	
14:00	Scientific Award Lecture	
15:00	Active Research Award and Kanehara Award Lectures	
16:00	Forum IV Modulation of life program through interaction of stem cells and chemicals	Oral Session Session 7 (O7-1 ~ O7-5) Session 8 (O8-1 ~ O8-5)
17:00	Closing Address	
18:00
